## How the Jews arrange the books of the 'TANACH' (Law, Prophets, Writings).

Genesis 1-11 describes the origins of the world and depicts the human race in a state of blessing. This gives way to 'curse' as a result of disobedience and is followed by cycles of sin and judgement.

In Genesis 12 Abram is picked from obscurity to be the focus of restored blessing. He is promised that through him "all the nations of the world will be blessed" (Gen 12:1-3). The Old Testament tells us how that works out.
