

COULD YOU BE A MENTOR THAT MAKES A DIFFERENCE?

Do you want to see an end to youth violence on our streets?

Do you want to help a young person or a family to a better future?

Following the Waltham Forest Citizens Commission on the Civil Society Response to Youth Violence report and presentation on 29th March, Bishop of Barking, Rt. Revd Peter Hill, and Waltham Forest Citizens, would like to invite you to a meeting for potential mentors and mentoring organisations

23RD MAY 2019, AT ST MARY'S CHURCH, WALTHAMSTOW AT 7.30PM TO 9.00PM

During the evening you will be able to share formally and informally the opportunities you offer to train and support mentors.

We would like to be able to offer support for those volunteering to mentor young families, children and young people to provide early intervention and ongoing mentoring.

Please RSVP to Hillary Henry if you would like to join us and be part of our collective response to what is happening to the young people of Waltham Forest - HHenry@chelmsford.anglican.org
