2. Co-option of members

Up to 5 members may be co-opted to the House of Laity.

Proposal to co-opt Hannah Mickleburgh-Gardham - Hannah has been put forward for co-option by the Youth Synod. Hannah was part of the 2017/8 Bradwell Area Young Leaders Programme and is a member of St George's Church, New Thundersley.

Hannah’s statement is:

‘I would very much like to be considered to represent the Youth Synod at the Diocesan Synod.

I have a real passion for involving young people in the traditional processes of the Church of England.

The only way we can encourage young blood and see the Church grow is to look at how we can reach the generation of today in the 21st Century by meeting them where they are and not expecting them to come to us.

I firmly believe there is a place for us youngsters to work alongside the more mature generation where we can all learn from one another’s wisdom and experiences and most importantly share our love of Jesus.’
