

HOW TO PIONEER

MISSION
IN
CONTEXT

An updated
version of
the Mission
Shaped
Ministry
Course

*Featuring live case
studies, discussions
and input from pioneer
practitioners*

Introduction

Having listened carefully for some time to the questions and concerns of many of our local pioneers, the Colchester Pioneer Hub is preparing to run **'How to Pioneer- Mission in Context'**, beginning in September 2021.

Why?

We want to catalyse the birth of New Christian Communities across North Essex.

We have found some proven valuable tools to assist pioneer teams and we really want to see individuals and teams invigorated, encouraged and equipped to sustain their pioneering journey.

The course

This is an updated version of the Mission Shaped Ministry Course, based around MSM themes alongside Dave Male's 2016 book *How to Pioneer (even if you haven't got a clue)*. The Course will include plenty of live case studies and discussions, as well as input from pioneer practitioners who are seeking to figure it all out.

Cost

The course will cost £40 which includes Dave Male's book and a catered weekend away. However, we definitely DON'T want to exclude anyone on the grounds of expense. Grants are available.

When is it?

This really worthwhile one-year part-time course takes place over 6 Tuesday evenings online, 3 in person sessions and 1 weekend away:
