

## ASSOCIATE

These pages are designed as a note-taking tool – we encourage curates to note down on the table below where a quality has been shown; we suggest this should be done at least weekly throughout curacy. This may be by writing a word or phrase that will remind them of a story that illustrates the quality, or a reference to a document included in the portfolio.

In each case, we are looking for evidence for ALL of the qualities in bold, and a MAJORITY of the qualities in light print under each right-side heading (for example, ‘Love for God’).
