

QUINQUENNIAL INSPECTIONS

AUTHORISED ARCHITECTS AND SURVEYORS REGISTER OF THE DIOCESE OF CHELMSFORD

Under the provisions of the Ecclesiastical Jurisdiction and Care of Churches Measure 2018, as amended by the Church of England (Miscellaneous Provisions) Measure 2020, referred to hereafter as “the Measure”, all parish churches in the Diocese, all other consecrated churches and chapels including licensed places of worship opted in under paras 38 to 44 of the Measure (previously the Care of Places of Worship Measure 1999), and buildings licensed for public worship, must be inspected at least **once** in any five-year period.

As of July 2022, Architects wishing to be added to the Diocesan list should be registered with AABC (Architects Accredited in Building Conservation or the RIBA Conservation Register RIBA SCA/CA). Architects below highlighted **yellow** do not have the relevant conservation accreditation and should only work on **unlisted** churches.
