

# INTERCESSIONS

## READY

Find a quiet, comfortable place. You could make a den with sheets and cushions. Or make yourself comfy on a sofa. Look up at the sky and imagine God with His arms stretching around the world. Begin “Father in Heaven”

## THE WORLD

Think about what one or two events that have happened in the world today. Say, “Thank you that You are in control. We pray that these people will see You at work, and know they can ask You to help them at this time.”

## WHERE WE LIVE

Look out of the window. Can you see other houses? Picture in your head, the people who live there and ask God to be with them and for them to feel His love today.

## PEOPLE OF FAITH

God’s people are His hands and feet in the world. Pray that all people who love God will listen to His voice today. Pray they will be able to show God’s love to others today.

## PEOPLE WE KNOW

Look at photos of your friends and family. As you look, ask God to give them His calm and peace today. If you know someone who is ill, upset or having a tough time, ask God to heal and look after them. Finish by saying a loud ‘Amen’.
